CAREER OBJECTIVE

Passionate Zoology postgraduate with hands-on Biology teaching experience at the PU level (8 months) and 2+ years of paramedical instruction, adept at delivering engaging theory and practical sessions that inspire learners. Committed to fostering scientific curiosity, strengthening student outcomes, and contributing meaningfully to institutional academic excellence.

ACADEMIC QUALIFICATION

Education	University/Board	Institution	Year	%
M.Sc [Zoology]	Tumkur University	Tumkur University	2023	79.29
B.Ed [BC]	Tumkur University	R.Muddurange Gowda College, Sira	2025	80
B.Sc [CBZ]	Tumkur University	Govt. Arts, Science & Commerce College, Sira	2021	72.9
PUC [Science]	Dept. of Pre-University Education	Govt. PU College for Girls, Hiriya	2017	72
SSLC	Karnataka State Board	Gireesha Girl's Pre-University College, Hiriya	2015	81.44

TEACHING EXPERIENCE

Government PU College for Girls, Sira | Pre-University Level

Subject: Biology | Students: PUC I & II (Science Stream) | Duration: 8 Months

- Delivered Biology theory and practical sessions to PUC I and II Science students, covering Botany and Zoology as per the Karnataka PU Board syllabus.
- Prepared students for Karnataka PU Board examinations through structured revision sessions, model question paper practice, and targeted doubt-clearing classes.
- Developed lesson plans integrating real-world biological examples to improve student engagement and conceptual clarity.
- Monitored individual student progress through periodic tests and provided personalized academic support to weaker students.

Sri Basavaraj Educational Trust | Paramedical College

Subject: Anatomy & Physiology | Students: Paramedical | Duration: 2+ Years

- Delivered Anatomy and Physiology lectures and demonstrations to cohorts of 30–60 paramedical students per semester.
- Created weekly lesson plans and aligned instruction with syllabus, accreditation standards, and assessment outcomes.
- Developed formative quizzes, used results to target remediation and improve pass rates.
- Mentored and advised students on coursework, practical skills, and career paths in allied health professions.

RESEARCH PAPERS

- "Analysis of Heavy Metal, Density of Earthworm and Microbial Activities in Industrial-Area Sewage Soil Using Jeevamrutha and Vermicompost," International Journal for Multidisciplinary Research, Vol.6(2), Mar–Apr 2024. DOI: <https://doi.org/10.36948/ijfmr.2024.v06i02.15832>
- "Study of Quality of Industrial Sewage Soil Sample by Inoculation of Jeevamrutha and Vermicompost and their Combined Effect," International Journal for Multidisciplinary Research, Vol.6(1), Jan–Feb 2024. DOI: <https://doi.org/10.36948/ijfmr.2024.v06i01.11591>

PROJECTS

- Assessment of the impact of Jeevamrutha and vermicomposting on nutrients, heavy metals and microbial activity of different soil samples using *Eudrilus eugeniae*.

WORKSHOPS

- Attended a one-day workshop on "Vermiculture and its Significance" at Tumkur University on 17 March 2023.

EXTRACURRICULAR ACTIVITIES

- Demonstrated Science model in National Science Day celebration lecture series on "Integrated Approach in Science and Technology for Sustainable Future" held on 16th March 2022.
- Represented school in Taluk-Level Badminton Championship.

SKILLS

Computer: Microsoft Word, Excel, PowerPoint

Teaching: Lesson planning, classroom management, assessment & feedback

Interpersonal: Strong verbal communication, student mentoring, teamwork and adaptability
